Captain Hood discusses the Heritage with Mrs. Shelly.

## In Dedication

A yearbook must have a strong leader on the financial staff. We have found our strength in Captain Alexander H. Hood. After four years of study at the United States Naval Academy, he received a Bachelor of Science Degree. He retired after thirty years of service. Having worked with yearbook staffs for eight years, Captain Hood was a great help in forming the very first Heritage at First Colonial. This book we dedicate to him for his generosity and untiring spirit.

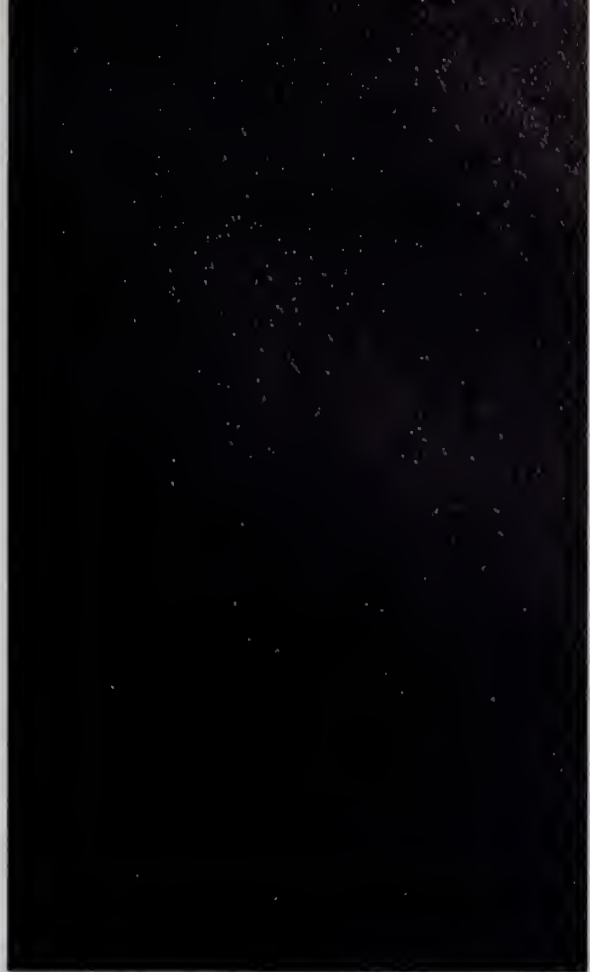

Captain Hood  
is also devoted  
to his profession  
as a teacher  
of Physics  
and Science.

Patriotism is accomplishment on the field, in our studies, and with our talents. We sometimes fail, but our spirit drives us on, rewarding us in the end.

Patriotism is determination to  
not all work. It is filled with  
recognition.

reach our goal. Life is  
moments of joy and

Patriotism requires leadership, not only in our Student Cooperative Association but in athletics, in spirit and in scholarship as well. As patriots we must develop these qualities with the cooperation of our teachers and the administration.

# ADMINISTRATION AND FACULTY

The role of an administrator or teacher is an important one for he must guide the student throughout his high school career. His job as overseer of student functions and scholastic accomplishments gives the school the leadership it needs.

"I enjoy being a girl!"

Christmas began early at First Colonial this year, but not early enough! The week before Christmas vacation was utter confusion as the traditional tree was decorated in the front hall and each homeroom door was decorated. Baskets of food were collected in every homeroom and distributed among needy families in Va. Beach. Prizes were given to the three homerooms with the best decorations and the most canned goods. The Junior Class was recognized as best-all-around in the competition. A large mailbox sponsored by Beta Tri-Hi-Y was put near the Christmas tree for intra-school Christmas cards. The Tri-Hi-Y delivered the cards to homerooms for the price of a Christmas seal.

# German Club

The German Club participated in the school-wide candy sale, as did all clubs. They made a trip to Old Dominion College for a slide lecture from a member of the German Navy. Slides were also shown by Miss Lippard and Miss Clarke (from Bayside High School). They held a joint meeting with the Cox German Club. It was a "Fasching Celebration", which is a pre-Lenten festivity — similar to Mardi Gras. They have also bought a subscription to "Der Stern" for the library. Heidi Schwartz, our foreign exchange student from Germany, has done much to boost the morale and attendance of the German Club.

Hurrah! For the Coach

## The 1967 Patriots

The 1967 Patriots, in their second year of competition, set out to improve their record of last season. Under the capable leadership of the new head coach, Frank Webster, and his staff, the team rolled up a great record, seven victories and only 3 defeats.

The Patriots opened their season against the tough Princess Anne team. The Patriots held the Cavaliers, but fell behind in the second half and lost the hard fought game, 33-6. The Patriots then had a winning streak, taking four games in a row, by whipping arch rivals, Bayside and Cox, by scores of 31-7 and 41-0 respectively. They also rolled over newcomers, Lake Taylor and Indian River, by scores of 39-7 and 20-6. They then played a tough Churchland squad. They fought hard, but they finally yielded by a score of 6-0. Our gridders took to the road again, and outclassed the Denbigh Patriots by a score of 18-0. Excitement ran high as homecoming approached. Amid the festivities, and the election of Connie Jones as the Liberty Bowl Queen, the Patriots responded by smashing the Southampton Indians 33-6. The team then traveled to Kellam where they came up on the short side of a 20-0 score. The Patriots finished their season by romping the Oscar Smith Tigers 32-0.

The 1967 Patriots, in their second season, made an excellent showing by finishing third defensively, fourth offensively, and fourth in the district.

Coach Keffe

The 1967-1968 Patriots experienced their best season ever. The team battled to an impressive 10-8 record in regular season action and placed fourth in the Eastern District Tournament. Under the capable leadership of Coach Pat Keffe, the Patriots pulled off many impressive upsets, the biggest being a 61-60 conquest of Princess Anne. Behind seniors Chris Spruill, Ricky Richardson, and Winslow Stillman, the team became the first winning basketball team in FC's short history. With juniors Clinton Graves and John Grimstead, and Freshman Tom Couch returning, the Patriots look for more success in the future. Congratulations to a fine basketball team, and the best of luck to Patriot teams to come.

1967 was a year of experience for the Patriot baseball team. Although winning only four of fourteen games the Patriots played admirably and gained valuable experience. With this year of experience the 1968 baseball team looks like a sure winner, since only two players were lost through graduation.

Patriots set another record.

First Colonial's first track season proved to be educational as well as successful. The Patriot runners began their season with three successive losses to Norfolk Catholic, Bayside and Oscar Smith. The next two meets were in favor of FC with Deep Creek and Cox. Great Bridge and Wilson also proved victorious. The Patriots won the final meet with Norfolk Academy by a score of 102-29.

First Colonial's second indoor season was also successful. The Patriots ended with a 3-0 record. Finishing fourth in the district, the team went to Lexington for the State meet. Headed by co-captains Ray Bishop, Tom Bingley, and Mike Ruggles they finished first in a tie with Wilson for fourth place. Many records have been set this past season, and F.C. is proud of its track team.

## VARSITY WRESTLING

Having only a 1-3 record after the first four matches set Coach Gregory to wondering if this was not going to be a long year. As it turned out, the final record was good (7-6), giving the team its first winning season. The team also placed eighth in the Regional Tournament, and three boys were sent to the state meet—co-captains, Rick Spain and Bob Wareing, and Clark Price. Rick battled his way through four tough tournament matches to gain the state title in the 145 pound class.

The 1967 tennis season proved to be a successful one both in team spirit and team victories. Because of our hard-working team and our deserving coach, John Roberson, they won 6 matches and lost 5.

With all but two players returning and with the support of the J.V. team, the Patriots look forward to a successful 1968 season. The Junior Varsity team consisted of Donald Baxter, Jerry Britt, Floyd Deary, David Doyle, Keith Ellis, Mike Nawin, Dowd Reynolds, and Larry Van Nostrand.

## Golf '67

Now where did that ball go?

Under the leadership of Mike Strickler and Robert Lawler, the golf team completed a successful season. In last year's competition the Patriots finished eighth in the district at Eagle Haven. Also for the first time in six years Coach Polizes' team defeated Churchland and he has high hopes for this year's team.

## Girls' & Boys' Gymnastics Team

The First Colonial Gymnastic team, although new this year, has accomplished a good deal. The men's team made quite an impressive showing at the city-wide Intramural Gymnastic meet, with the combination of Hank Foiles and Randy Koach winning every event. Other members of the team, Gregg Collings, placing third in tumbling, David Lafavor, placing second in the parallel bar competition, and Deen Entsminger placing fourth in the high bar, helped to win the entire meet for First Colonial.

The women's team also made a fine showing at their first meet with Janice Radar and Judy Owens taking two firsts.

# J.V. Basketball Team

First Colonial's Junior Varsity Basketball Team let it be known early in the season that they were going to be heard. The team defeated many good teams this year. Coach Douglas was very pleased and is expecting an even stronger team next year. His only regret is that he will be losing players to the varsity team.

Welcome Heidi

The many faces of Heidi.

Surprise!

## HEIDI

Heidi Schwartz, our German foreign exchange student was sponsored by the Interact Club. She has added greatly to the spirit this year. She will not soon be forgotten by all the friends she has made. We hope she will remember First Colonial with many happy memories.

Heidi shows her patriotism at the Denbigh football game.
